A black and white illustration of a narrow village street. In the center, a woman in a long, dark, flowing dress walks away from the viewer, holding the hand of a small child in a light-colored dress. They are walking down a path that is flanked by low, rough stone walls. On either side of the path are traditional stone houses with steeply pitched roofs and multiple windows. Some windows have flower boxes. In the background, there are trees and more houses. A large, white, oval speech bubble is superimposed over the upper middle of the scene, containing the text "WELCOME HOME." in a simple, sans-serif font.

WELCOME
HOME.
